bag While She Is Return-

citedly gave an account of the holdup.

Her father, Charles Koss, managed to get a vague description of the negro from her, but she was so wrought up that she could barely tell what had happened. Mr. Koss at once reported the matter at the First Police Station, and defectives were set to work on the case. The thief was described as being tall, dark and wearing a wide, light hat.

Miss Koss was returning to her home from the store of Kaufmann & Co. 461 East Broad Street, where she is employed. The point at which she was robbed was deserted at the time, so that the thief had little difficulty in making his escape.

The committee with instructions to the committee of one to take up the matter of the construction of an administration building for the officers at the target range, and to proceed with the work on same. It is estimated that the cost of this building will probably be about \$6,000.

The Adjutant General submitted a statement showing the condition of the military fund, and upon motion, it was ordered that the sum of \$10 for each officer and enlisted man present at the statement showing the condition of the purchasing committee, who is sold representative of the Cable Company in Virginia.

by Board in Four-Hour Session.

The Virginia militia, to a man, will earch in the inaugural parade down Pennsylvania Avenue, March 4, unless preliminary plans made last night at meeting of the State Military Board, in the Capitol, fall through. While details of the trip were not arranged, the Adjutant-General was authorized to negotiate with the railroads for transportation rates, and if a satisfactory agreement is reached, the plan will be carried out in full.

This means that about 3,000 Virginians, exclusive of the cadet corps of the Virginia Military Institute, will

ians, exclusive of the cadet corps of the Virginia Military Institute, will march in the inaugural parade. It is not yet known whether the cadets will act as personal escort for the President-elect, but in any case, Virginia will have a lion's place in the line of march. The largest divisions of the Virginia Volunteers are three regiments of infantry, three batteries of artillery, including the Howitzers, and the Blues' Eattalion. An attempt this be made to add two additional batteries of field artillery to the Richmond Howitzers before the inauguration.

At the meeting last night were present Governor Mann, president of the board; Brigadier-Generals C. C. Vaughan, Jr., and William Wilson Sale, and B. O. James, Secretary of the Commonwealth; Joseph LeMasurier, secretary of the board, and Captain Joseph K. Partello, the United States insuector, instructor. inspector-instructor.

vitation to Conference Here December 3.

City Will Be Asked to Defray the Cost of Entertaining Visitors.

Although Governor Wilson will not be present, positive assurance has now been received that thirty-one of the forty-eight Governors in the United States will be in attendance on the Governor' Conference beginning here December 3. There is every promise that the conference in Richmond will establish a record for attendance, the greatest number of executives ever at the same conference in the past being thirty. This was at Spring Lake last year.

A natural phenomenon of Virginia will be used by the Governor in the official badge which he has designed as a souvenir for the visitors to the con-Pendant from each ference. Pendant from each badk will be one of the famous Patrick County fairy stones, perfect cresses of stone picked up on a mountainside in old Patrick, exact duplicates of the stone that brought Governor Wilson good luck and the presidential elec-tion. According to the legend, which offers an explanation of the phenomenon where science is dunfounded, the fairies were in convention on this mountainside in old Patrick when the news of the Saviour's death on the cross was brought to them.

They immediately fell to weeping, and each fairy tear, as it struck the ground, was crystallized into a perfect stone cross. These stones are about an inch long, are faultlessly symmetrical in design, and bring luck to the wearer. They are found nowhere offers an explanation of the phenor

wearer. They are found nowher else in the world.

else in the world.

The crosses will be suspended from a solid gold bar on which the name "Virginia" is inscribed in blue enamel. Hanging from the bar is a broad red. white and blue ribbon, at the bottom of which is printed in gold letters. "Governor's Conference, December 3, 1912." and the State from which the Governor wearing the hadge somes. Governor wearing the badge somes.
Thus each Ladge will identify the wearer on sight.

Getting Mansion in Order.
